

2 Bedroom Cottage for sale at Threshold Centre

Sat, 06/11/2011 - 08:48 — [Tina](#)

FOR SALE: THE BYRE

We currently have a 2 bed property for sale. Part of a terrace of cottages that were previously a cow byre (hence the name!) this home comprises an open plan kitchen and living/dining area with a bathroom and bedroom downstairs and another bedroom and small mezzanine area upstairs. The latter has previously been used as office space.

A zero emissions biomass boiler system provides the property's heating and hot water, whilst photovoltaic panels elsewhere on site generate electricity to power lighting and ventilation. Water saving measures also ensure the property meets high sustainability standards.

The property is leasehold (approx 997 years to run) with owners also acquiring a share in the freehold of the site and access to the community's shared facilities (eg common house, market garden, laundry) as part of the purchase price. Vacant possession is currently available. Offers circa £130,000.

For further information/particulars please contact Nancy Winfield on 01392 211794.
